Back in Slovakia

The advantage of living 5,000 miles away is that upon returning to the States we take advantage of every moment with our family and friends. It is very apparent to us to enjoy and cherish every minute spent with the people around you. God did say to first love Him and then love others. Now we are back in our apartment in Kosice and ready to love the people around us here. I am really sorry if we didn't get to see you while we were home. We wanted to see everyone but it is hard with 4 little kids.

We want to say a huge **thank you** to the people at City View First Baptist Church for serving us with their missions house and a big **thank you** to Mr. & Mrs. Ken Hardin for loaning their van to us while we were home. It is so encouraging to us how God knows what we need and provides for us.

Still Need a Helper for Dara at SpeakOut

Please continue to listen out for a volunteer to help us with our 4 wonderful children at SpeakOut this summer. The dates are June 27th - July 30th. Just let us know if anyone comes to mind and we can send her some info.

Prayer Requests

- Praise God for good time with family in the States.
- Praise God that we are excited to be back in Slovakia. This is a wonderful place to live even though we don't have my sisters Kilwin's ice cream.
