We Need You Here: 2 Options

Time with two leaders in Our Ministry: Kajo and Martin

Pumpkin Party: Homeless me and my Penguin wife

Thanksgiving Outreach in a Local High School

What do we need you for? We are looking for two different kinds of people to come here and help us reach Slovak students for Christ.

Option 1: (SpeakOut) We need you or someone you know to come and help us put on our English Camps from June 30th to July 30th. The primary focus is obviously not teaching English although we do want to serve the students in that way. The primary focus is for the students to hear and understand the gospel. We will teach you a clear way to share this good news and then give you students to share with and love on. We are praying for 20 Americans to come and spend the summer with us.

Option 2: (Blitz Week) We need a smaller group of people to come for 9 days in the Spring and help us blitz the high schools and tell a couple of thousand students about SpeakOut. The week builds a lot of momentum for our ministry that really encourages students to come to SpeakOut. We are praying for 200 students this year at SpeakOut!
