Jesus Film Project App

The Jesus Film Project® app is a full digital library of more than 200 full-length movies, miniseries, and short films produced to help the world know Jesus better. Everything on the app is free to watch, download, and share with anyone you meet, wherever you meet them.

This is what the app looks like.

Cru's Headquarters is like the FBI of sharing the Gospel worldwide and helping complete the Great Commission. Strategies are being formed, materials created and written, and hundreds of other projects to equip the global church body to share their faith and disciple others.

For example, the Jesus Film Project App is a great tool for helping you and I to transition a conversation to truths about the Bible. Jesus Film Project (JFP) has videos on the app that communicate the Gospel clearly. I encourage you to [download the app](#) and search for the video "Falling Plates." It is pretty intense but creatively shares a picture of how God is our creator and we need him as our Savior. After watching the video with a friend you can scroll down to see engaging questions. This would be great with your family over Thanksgiving and Christmas. After asking the questions, you need to listen well. Search for the "[Seeing Opportunities](#)" video for a one minute training. Please let me know if you have any questions about using this app with others.

Dara and the kids first Halloween getting to much candy.

On the family front, Olivia, Boone, and Eli are settling into riding the bus and public school. Dara continues to learn American culture and I am trying to remember it. We have found a small church called Crossway. It meets in a school close by and the people seem to really enjoy their relationship with Jesus. We are also slowly making new friends here after leaving our fiends in Slovakia. God is so good to provide what we need. The theme of relying on God more has been on the front burner of my thoughts in the past two months. I am encouraged to rely on your prayers and financial partnership with us. It is very humbling to rely on God through you all.

I took a seminary class on Christ and salvation.

Prayer Requests

- Transition. Thank God for meeting our needs of finding a church and other small things from day to day.
- Praise God I will get to see my whole family soon over Thanksgiving.

Jeremy & Dara Adams
