Studying Daniel with the Guys

Evangelism in the Park

Six student guys came out for our new bible study on the Book of Daniel. Five of the guys are fruit from SpeakOut. Every year after SpeakOut we start meeting with the guys that prayed to receive Christ and the guys that didn't. With the new believers, we start teaching them about being confident in their new relationship with God (1 John 5:9-13). We then, in the following weeks, teach them about forgiveness, the Holy Spirit, and how to grow in their new relationship. It is always encouraging to see these new guys truly start treasuring Christ.

Climbing with Guys

Martin and I are still meeting for discipleship weekly and we are both learning so much. In the past couple of weeks we have been looking at the process of redemption. We both continue to see God anew and find Him more awesome!

I am always trying to think of ways to hang out with guys and build relationships with them. I spend most Thursday afternoons now bouldering with guys. Bouldering is indoor rock climbing. I invite guys that we meet during random evangelism, guys from bible study, and guys that don't want to sit and talk to a old 33 year old guy. Climbing is a good bridge to grow our relationship so that they will sit with me and listen how Jesus is a free gift and they don't need to work for salvation. (Eph 2-8:9)

A Need for a Young Lady Next Summer

Please continue to listen out for a young lady to help us with our 4 wonderful children at SpeakOut next year. The dates are around June 27th - July 30th. Just let us know if anyone comes to mind. We would take very good care of her.

Prayer Requests

- Pray for continued time with Filip, for him to understand the gospel and then start a relationship with Him.
- Praise: Dara is doing a great job home schooling Olivia. Dara is such a servant to our kids and I.
