

Sabbatical

Thank you for your partnership with us! Because of you, we are able to take this 30 day sabbatical to get away from the ministry and pursue God and family. It was very fulfilling! Before leaving we created a sabbatical plan of what we wanted to read and study. After arriving the plan soon changed.

We rented a 350 sq ft house (pictured above) in Dryofyto, Greece. After driving 20 hours from Slovakia, we arrived. It is similar to driving from NYC to Orlando, FL. It is also much warmer than Slovakia. Even though we did read and study, our main focus turned to enjoying each other. Sometimes it is hard for me to get on the floor and play with our kids on their level, to really focus on enjoying coloring and playing with play-doh. I really saw God help me to grow as a father and to enjoy Him and my family more.

Prayer Requests

- Pray for new creative ideas how to meet new students and build relationships with them.
- And for me keeping our 4 kids while Dara is in the hospital for the 3-4 days after birth. :)
